Tyranny: The Washington Model for “Democracy.” Color Revolutions

By T. D. Duff, October 01, 2025

Most leading American policy elites in the US and Britain in and around the influential Council on Foreign Relations (CFR) were taught the Malthusian geopolitical axioms of ‘divide and conquer’ by British Royal Geographer, Sir Halford Mackinder, as he stated in 1904.

Disarm Jerusalem, Not Gaza. Rima Najjar

By Rima Najjar, October 02, 2025

This essay argues that disarmament must begin in Jerusalem—the epicenter of supremacist sovereignty and settler-colonial control—not in Gaza, which remains besieged and starved.

Will California Zionise K-12 Education?

By Rick Sterling, October 02, 2025

Factual information about Israel and Palestine may soon be outlawed in the California K-12 school system. Assembly Bill 715 is currently on Governor Newsom’s desk. The legislation was recently rushed through the California legislature, amended just days before passage, and voted on at 1 a.m. with almost no time for public comment.

Palestinian Subordination: Donald Trump’s Gaza Peace Plan. Binoy Kampmark

By Dr. Binoy Kampmark, October 02, 2025

In keeping with history, the Trump plan, even if it were to be implemented to the letter, enshrines the essential subordination of Palestinian goals to the dictates of other powers. Palestinian military presence is not only to be curtailed but essentially eliminated altogether. Hamas, never consulted regarding the peace terms, is to accept its own effacing.

United Nations General Assembly 80th Session Divided Over Palestine and Western Domination

By Abayomi Azikiwe, October 02, 2025

The only hope for the people of Haiti and billions of other oppressed and exploited peoples around the world is the elimination of imperialism. The redistribution of political and economic power equitably will create conditions for peace and social stability throughout the globe.

Trump's Gaza Plan: Neocolonial Mirage Clashing with "Great Israel" Plans

By Uriel Araujo, October 01, 2025

In what appears to be a response to charges of ethnic cleansing, the Gaza Plan explicitly states no one will be forced to leave, though voluntary emigration to Jordan or Egypt is "encouraged", which aligns anyway with Israeli far-right fantasies of a depopulated enclave ripe for settlements.

A Natural Moral Philosophy for the Times?

By Zahir Ebrahim, October 01, 2025

Morality is a social contract. The moral system "doesn't care" about the motivation or personal belief, only the outcome, of peaceable coexistence in fairness and justice, by curbing the instinct for primacy and dissuading predation such that no one in society can take unfair advantage of another without suffering its consequences.
